

## Simplify your wiring with axl’s Power Distribution Board

- 

**High-Performance Power Handling**  
(up to 200A)
- 

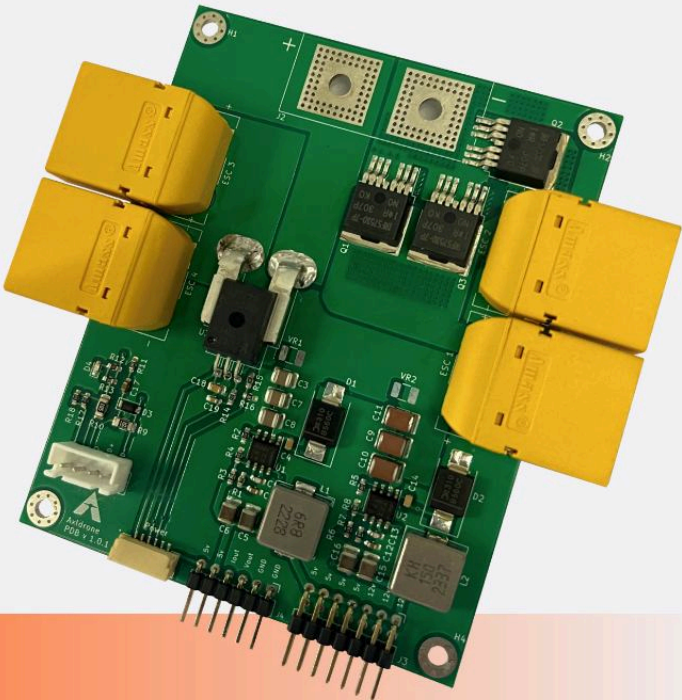

**Wide Input Voltage rate**  
(upto 15-60V)
- 

**Optimized Power Outputs**  
(4xXT90 connectors)
- 

**Compatibility**  
(Pixhawk, Cube Orange)
- 

**Reliable Analogue Architecture**
- 

**Compact & Lightweight**

Item Type:	PDB
Input Voltage	15-48V
Connectors	4xXT90 Connectors
Converter	DC-DC Converter
Item Weight	90g

**axldrone**, a leader in industrial drone solutions, delivers purpose-built drones, advanced avionics, and ground control software, backed by over a decade of global R&D and project expertise.
